Motion Graphics Designer (Animator)

Description

Our partner, **PlayStudios**, located in Tel Aviv and Bay Area, is a consumer gaming company focused on the ever-expanding market for social and mobile gambling. We are seeking for **Motion Graphics Designer**, team player who derive joy from learning every day and challenge each other to bring out the best of your work.

Responsibilities

- Creating amazing 2D animations
- Creating stunning effects that reward players as well as communicate in-game information
- Playing a big role in the concept phase
- Building features with our Client team in our unique animation system
- Create, maintain, and export production-quality graphic assets
- Collaborate with other members of the team (designers, artists, developers and product managers) to generate effective design solutions and receive feedback

Qualifications

- Completed education or equivalent work experience as a motion graphics animator
- Knowledge of Adobe Flash/Animate, After effects and Maya
- Passion for games
- Positive team spirit and you gladly speak your mind
- Excellent verbal and written communication skills in English

Contacts

If you feel like your skills and knowledge can match the product, make an impact and help us grow together, we would like to have you in our team!
